

TROWORKS ENGINEERING SUPPLY & SERVICES

Company Profile

2025

We are committed to providing the best possible construction expertise and service to ensure cost effective and successful projects. We believe in maintaining the highest standard of professionalism, integrity and excellence through collaboration and innovation that meets and surpass client expectations while offering prompt and lasting solutions that stand the test of time.

ABOUT OUR COMPANY

A Brief Story About The Company

Troworks Engineering Supply and Services started in year 2001. It engaged in sound rental, electrical building, wiring, subcontracting services and other electrical works. Design and installation, assemble and repair, testing and commissioning of all electrical, electromechanical, and electronic equipment were the first into this business.

After 15 years of experience in the industry and other engineering fields locally and abroad, Engr. Manuel L. Castro Jr. - owner, decided to complete and widen its business in the name of Troworks Engineering Supply and Services.

VISION

To stand as the most trusted, respected and widely-known construction firm, acknowledge for our unwavering dedication to excellence, leadership and unmatched value as we aggressively pursue the continuous improvements and innovation across all aspects of our business.

MISSION

To deliver high-quality projects in a timely and cost-effective manner while maintaining the highest standards of construction discipline, safety, environmental and social responsibilities.
